Flathead County

Located in northwestern Montana, Flathead County is Montana's fourth most populous with 59,218 residents, according to the 1990 Census.

Kalispell, the county seat, is the state's seventh largest city with a population of 11,917. The city is the trade center of northwest Montana and located at the junction of U.S. Highways 2 and 93. The area is renowned for its Flathead cherries and Christmas tree farms. It's also a gateway to Glacier National Park and located between the Blackfeet Indian Reservation, Montana's largest, and the Flathead Indian Reservation.

According to the *Montana Almanac,* by authors Andrea Merrill and Judy Jacobson, the county was established in 1893 and the area was called 'the park between the mountains' by the Salish Indians.

According to the U.S. Bureau of the Census, median income for Flathead County households in 1989 was $24,145. The county is 5,256.6 square miles in area; 5,098.6 square miles in land area and 158.0 in inland water area.

County residents experience the four distinct seasons. According to the *Montana Almanac,* the average daily low in January between 1980 and 1989 was 13.7 degrees above zero and average January snowfall 18.0 inches. The average daily high in July was 80.6 degrees. The annual precipitation in 1995 was 22.82 inches and the length of the growing season 105 days.

PLEASE NOTE: Because of time and budget constraints, we are only able to update our county flyers periodically. Individual tables are updated on a more frequent basis. You can call us if you'd like the most current information for a particular county. The **Annual Averages for County Employment By Industry** are updated annually, usually in June. The **Top Employers** are updated annually. **Per Capita Income statewide** is usually released late spring and **county data** around August each year. **Population data for Montana** is usually released in March and county data may be released at a different time. The **Annual Average Labor Force information** is benchmarked annually and numbers available before March. **The other tables contain Census information** and will be updated every 10 years. ***You can also look for more current information on our website listed on the front of this publication.***

1,000 copies of this flyer were printed at an estimated cost of $100.60.
